Congratulations to everyone who participated in District Cross Country. The students that progressed to the zone finals were: Sam Hutton (SW), Lachlan Potter (SW), Cynthia Mlacovic (CM) and Jasmine Webb (DF).
On the 20th June in the BER building between 5:00pm and 6:30pm the Year Sixes presented their Learning Centres to all of the parents and teachers that attended the night. Their project was on Notable Australians. Notable Australians are people who are famous who have done something to make a difference to the world (such as fighting a terrible disease). Every Year Six had to dress up as their notable and pretend to be their notable by having the parents ask questions that were either in their question box or just a simple question that parents wanted to quiz them on.

Everyone did a fantastic job. You could see the effort that people had put into their learning centres and their projects. It was a fun night and a great experience for the Year Sixes that will help them create future projects that are well researched and presented with creativity. To all of the young readers, this could be you one day. Pretending to be a different person while having your project behind you. You’ll have a blast and enjoy it. Everyone had a great time and it turned out exactly as it was planned.
