

## VISITORS IN SCHOOLS POLICY

### **RATIONALE:**

Findon Primary School strives to create an open and inclusive school community, and encourages parents and carers to be actively involved in their child's development and education. We also strive to foster strong partnerships with local community services, schools and other organisations. Findon PS is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with the school's policies and procedures. The purpose of this policy is to provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Findon Primary School. This policy applies to any visitors who may attend school grounds when the school is open for instruction between the hours of 8.30am and 4.30pm. Outside of these times, our front office is not staffed and the only visitors who are permitted on school grounds are parents/carers or their delegates who are dropping off or picking up students from Outside School Hours Care, and other school community events that have been approved by the Principal.

### **DEFINITIONS:**

*Child-related work:* As defined by the *Working with Children Act 2005 (Vic)*, child related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

### **IMPLEMENTATION:**

From time to time, different members of the public may visit our school. Visitors may include, but are not limited to:

- Parents

Findon PS will ensure that our school's Child Safety Code of Conduct/Child Safety Policy are available to visitors when they sign in.

### **Requirements for visitors to produce a valid Working with Children Check (WWC Check) card**

For WWC Check and other suitability requirements relating to parents/carers and other volunteers working with students please see our Volunteers and WWC Policy. All visitors who are engaged in **child-related work** must have a valid WWC Check.

In some circumstances, visitors to Findon PS who are **not** engaged in child-related work will also be required to produce a valid WWC Check depending on the particular circumstances of their visit. For example, Findon PS will require a valid WWC Check for:

- **visitors who will be working regularly with children** during the time they are visiting, even though direct contact with children is not a central part of their normal duties
- **visitors (e.g. contractors)**, who will regularly be performing work at the school and in circumstances where they will be performing their work in an area where they will be unsupervised and around children.

Further background checks, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students (e.g. a visiting auditor who will be located in the front office with administration staff) or who will be supervised and accompanied by a staff member during their visit (e.g. a Member of Parliament, a journalist, a prospective parent on a school tour) will not be required to have a WWC Check. Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Check, but may be asked to verify that they are sworn officers by providing proof of identification.

### **Invited speakers and presenters**

On occasion, Findon PS may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, Findon will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- ensure that any proposed visit, programs or content delivered by visitors complies with and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy.

### **Parent visitors**

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours. If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours. All parents or carers who visit our school during school hours, other than for the purposes of school pick ups and drop offs or for specific school events (eg parent teacher interviews, concerts, assemblies etc), are required to sign in as a visitor at the school office.

### **Other visitors**

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign in procedure outlined above.

### **EVALUATION:**

This policy shall be reviewed every 3 years as part of the ongoing policy and process review.
