Bonus Writing Challenge

It's May! The last month of Autumn. The weather is getting colder. The leaves are changing colour and falling off the trees. The rain has started falling.

This week's bonus Kitchen Garden Activity is to write an 'Acrostic Poem'. Your poem could be about the season of 'Autumn' or it could be about any fruit, vegetable or herb that is plentiful at this time. Some examples include:

Write your poems on a white A4 piece of paper and decorate with drawings of Autumn or your chosen fruit or vegetable. I would love to have a wall display of your poems in the Kitchen. To do this, upload a photo of your poem to your classroom teacher via Seesaw and I will print them out. Don't forget your name and class.

To write an Acrostic Poem, write the name your chosen word vertically down the page in CAPITAL LETTERS. The first letter of each line is then used to spell out a word or phrase related to the word you have chosen. I have made a sample below using PUMPKIN.
