

# Coconut Curry Noodles

## Ingredients:

1 packet of Pad Thai rice noodles

300g firm tofu, diced

1 brown onion, sliced

2 carrots, peeled into ribbons

1 capsicum, thinly sliced

½ head broccoli, chopped

1/3 cup curry paste

1 tin coconut cream

1 cup shredded red cabbage

## What to do:

- 1) Cover noodles with boiling water in a large bowl, set aside for 5mins then drain.
- 2) Stir-fry tofu until golden and place in large bowl.
- 3) Cook onion until tender then stir-fry curry paste and remaining vegetables.
- 4) Stir in coconut cream, tofu and noodles.
- 5) Serve in bowls and garnish with coriander, mint and lime wedges if available.
